

SBL TRADER – TOP INVESTMENT BANK

- Junior SBL Trader Role
- Excellent Career Opportunity within Prime Brokerage
- Top-tier Chinese investment bank

Our client is a prestigious investment bank with strong presence in Greater China. Due to business expansion, they are currently seeking for an Equity Finance Trader for the Trading Desk within their Prime Brokerage Department.

Reporting to the Department Head of Prime Brokerage, your main task is to actively trade Prime Brokerage products such as SBL/Repo/HKPO, monitoring daily trade and verification process from investigation, escalation and resolution of the exceptions. You will also be responsible for trade maintenance and life cycle events of Exchange-Traded and Delta 1 products throughout the lifecycle of the transactions. You will be performing collateral agreement, trades and positions reconciliation as well as enhancing and maintaining Prime brokerage systems.

To qualify, you must have at least 3 years of trading experience preferably in international financial institutions. This role requires strong knowledge and experience in Prime brokerage products e.g., SBL and Repo for Hong Kong market, and you should have experience in position management including corporate actions management and P&L reporting. Excellent communications skills in English and Mandarin will be a must.
