

AVP, REGIONAL SECURITY MANAGER

- Leading International Bank
- Security Operations
- Attractive Remuneration

Our client is a leading International Bank and they are now looking for a Regional Security Manager to join their Group Chief Security Office in Hong Kong.

Your main responsibility will focus on all physical security services together with control measures. You will identify, evaluate and review physical security risks or perceived threats; lead and conduct investigations into crimes; conduct and manage remediation plans. You may also support and facilitate security elements for VIP visits.

To qualify for this position, you must have at least 3 years of experience in physical security environment with financial institutions, preferably have Police or Military background with Security qualification. You should have solid understanding of legal and regulatory security requirements; physical design and operating models to identify risk. You should also have fluent skills in English, Mandarin and Cantonese.
